G. The Contractor affirms that, if it is an entity described in I.C. Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

H. As required by I.C. 5-22-3-7:

The parties acknowledge that the services to be performed by Contractor for the IHCD under this contract may require or allow access to data, materials, and information containing Social Security numbers or other personal information maintained by or on behalf of the IHCD in a computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the Contractor and the IHCD agree to comply with the provisions of I.C. 4-1-10 and I.C. 4-1-11. A. The Contractor certifies by entering into this Contract that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or

voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State. The term “principal” for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Contractor.

- B. The Contractor certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Contractor shall immediately notify the IHCDA if any subcontractor becomes debarred or suspended, and shall, at the IHCDA’s request, take all steps required by the IHCDA to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

14. Default by State.

If the IHCDA, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute the appropriate measures to collect monies due up to and including the date of termination.

15. Disputes.

- A. Should any disputes arise with respect to this Contract, the Contractor and IHCDA agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the IHCDA or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no reimbursement claim to IHCDA for such additional costs.
- C. If a party to the contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. If the dispute is not resolved within ten (10) working days, a dissatisfied party will submit the dispute in writing according to the following procedure:
 - 1. The parties agree to resolve such matters through submission in writing of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Contractor and IHCDA within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the parties concludes that the presentation period is over. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration or mediation for a determination. If a party is not satisfied with the Commissioner’s ultimate decision, the dissatisfied party, may submit the dispute to an Indiana court of competent jurisdiction.

2. IHCD A may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by IHCD A to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for Contractor to terminate this Contract. The Contractor may not bring suit to collect these amounts without following the dispute procedures contained herein.

16. Drug-Free Workplace Certification.

The Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the IHCD A within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor in the State of Indiana has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the IHCD A for up to three (3) years.

In addition to the provisions of the above paragraph, if the total contract amount set forth in this Contract is in excess of \$25,000.00, the Contractor hereby further agrees that this Contract is expressly subject to the terms, conditions, and representations of the following certification:

Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.
